

## Field Trip — Saturday, November 13

### Renaissance Festival—Plantersville, TX

Do you think that you can take a good photo one-handed, while holding a giant turkey leg in the other hand? Prove it at November's field trip!

Grab your bagpipes and photograph the Highland Fling at the Texas Renaissance Festival. There will be musical performances; Highland games; characters in costume, including the Scottish Court; and a demonstration of blacksmithing. Did we mention food?

The Festival is open from 9:00 a.m. until dusk. Meet at the entrance at 10:00 a.m. Discount tickets are available on-line at [www.texrenfest.com](http://www.texrenfest.com) and at HEB stores, Woodforest National Bank offices, and Randall's stores. A printable map and driving directions also are available on-line at [www.texrenfest.com/directions.html](http://www.texrenfest.com/directions.html). See you there!

## Workshop—November 16

### Black and White Images—Mark Katz

Mark Katz recently earned his Certified Professional Photographer designation and is a member of the club. He will lead this workshop covering all things Black and White. The Monochrome category was recently added to our competition schedule and the timing for this workshop is perfect.

Mark's presentation will cover topics including how to pick your subject, types of lighting which result in better black and white images, processing your images for the perfect look and great contrast. He will also discuss options for printing black and white images. At the end, Mark will lead a discussion by members of paper types which they have found to improve their images

This is a workshop that you won't want to miss. We look forward to seeing you on the 16th.
