

## Shootout Luncheon—June 8

### Frank's Restaurant, Schulenberg

The shootout lunch will be held at the traditional location, Frank's Restaurant in Schulenberg, from 12:00 until 3:00 p.m. on Saturday, June 8. Frank's is on the south side of I-10 at the Schulenberg exit.

After lunch, the entries of both clubs will be shown by category. The club cumulative scores will be announced and the trophy awarded to the winning club. Last year, the scores were quite close, with a point spread of something like 536 to 539.

There are several painted churches in the area. Go early and photograph before lunch. It is better to photograph in the morning, as church services are often scheduled in the late afternoon. Search the internet for details, pictures, and maps.

Contact Gerry Jump with any questions. We hope to see everyone at the luncheon.

## Program—June 18

### A Photo Tour of Morocco

Leslie and John Niemand will present images from Morocco—a kingdom with many exotic-sounding places—Casablanca, Marrakech, Fes, the Atlas mountains, the Sahara. Morocco is a land of contrasts. You will see old and modern; wealth and poverty; diverse peoples and terrain.

Leslie and John spent three weeks in Morocco on a photo tour in November, 2012, led by local photographer, Kathy Adams Clark. Now, you can travel to Morocco, without any TSA worries, from the comfort of your chair at the June program meeting. They will share their images and comments and answer questions.

## Outdoor Portrait Workshop—June 2

The portrait workshop will be held Sunday, June 2, at 6:30 p.m.. **Mark Katz** and **Joe Sandler** will lead the workshop. The spot we have chosen is a small lake with rocks and a fountain. Two models will be available.

Bring your tripod, a reflector, diffuser and a flash if you have them. For full frame cameras, the traditional lens for portraits is 85 to 135mm. Choose your lens according to your camera's crop factor. You may also want to bring insect repellent.

Directions: From I-10, take Eldridge Parkway south. After driving about 1/3 mile, turn east onto Enclave Parkway. The pond is located on Enclave about 100 yards north of Sandbridge St. There is parking across from the end of Sandbridge St and also a parking garage across Enclave from the lake.

## Photography Exhibit At MFAH

A new photography exhibit is opening at the Museum of Fine Arts, Houston. *Faking It: Manipulated Photography before Photoshop*, opens June 2 and will continue through August 25. It is held in the Beck Building on the lower level.

*Faking It* shows many types of manipulation used before the digital photography revolution. The ability to modify camera images is as old as photography itself.

Admission to the exhibit is included as part of admission to the museum.

## Photographer Saying:

*"It's one thing to make a picture of what a person looks like, it's another thing to make a portrait of who they are."*

Paul Caponigro

**New Members:** **Charlotte McNulty** has rejoined the club. She is using Canon equipment and enjoys nature, and travel photography and also photographing children. **Thejas Rajaram** has also rejoined the club. He was an active member last year, and we are glad that he is back.

**Member News:** **Henry Peterman** and **Howard Pollack** went to Big Bend on a photo/hiking trip. They spent three days in the national park and another in Big Bend State Park. They saw beautiful scenery. Their major disappointment was that the Rio Grande was so low that no float trips were possible.

**Steve Goldberg** traveled to Fort Davis for his second hobby, astronomy.

## Refreshments—Volunteers Needed

We need volunteers to bring refreshments to the club's competition and program or workshop meetings. Please choose a date and sign up at the competition meeting in June. We would like to fill out the list for the next several months.

Everyone enjoys the refreshments at each meeting. Please do your part to help.
