

**GSCCC Judging—June 19****Pictorial Digital Color and Monochrome**

During the year, our club participates in various GSCCC projected image competitions. The club also volunteers yearly to judge projected image competitions.

On June 19, we will judge the entries from other clubs for the June Pictorial Digital Color and the Pictorial Digital Monochrome contests.

Please come. This meeting is scheduled on our regular third Tuesday meeting day for your convenience. You will be able to view some excellent work from the submitting clubs in GSCCC. If there is time at the end of the judging, the judges will comment on the winning images.

## Refreshments

We still need volunteers to serve as co-hospitality chairs. Two members have volunteered to help. We require additional members to share this responsibility—at least two more. Four sharing the job would mean three months of duty in a year for each co-chair—a very manageable task.

We all want to see the refreshments continue. The refreshment break at our meetings is an important opportunity to talk to other members about all things photographic. It might be club business. But, more often, it is a discussion about equipment, photographic techniques, or photographic locations.

We need help to have it continue. Please contact Bill Burychka.

## Member News

Welcome back to **Thejas Rajaram** and **Ramiro Sanchez**. We haven't seen Thejas for awhile, maybe because he is a new father. And, it is nice to Ramiro again too.

We missed you both. .

## Trip to Fanthorp Inn Enjoyed

On May 12, **Gwen Kunz**, **Tom Lee**, and **Rachel** and **Bill Burychka** enjoyed a pleasant outing to Anderson, Texas, visiting Fanthorp Inn State Historic Site. They experienced what it was like to ride in a stagecoach in early Texas, learned what a shoofly is, how to tighten a rope bed, and enjoyed dulcimer music.

The tour of 1983 Grimes County Courthouse, an Edwardian-Victorian structure restored in 2002, was an unexpected treat. The trial of a Clyde Barrow gang member, Joe Palmer, took place there. And Hollywood came to the courthouse in 1997 when Goldie Hawn directed her first film made for TV, named "Hope".

Lunch plans changed to the local café, Allphin's.

## HMNS Wildlife Photographer of the Year

This is an international showcase of the very best in nature photography. This is the 53rd year of the competition. There are entries from both professional and amateur photographers.

It is worth your time to attend. But, you need to see the exhibit now. It closes June 5.

## Photographer Saying:

*If the photographer is interested in the people in front of his lens, and if he is compassionate, it's already a lot. The instrument is not the camera but the photographer.*
