

Field Trip - January 26

Baytown Nature Center

Field trips give members opportunities to see and photograph things they wouldn't usually do alone. Join us to enjoy fresh air and your love of photography. We will meet at 7:00 a.m. in the parking lot behind the pay station. The entrance fee is \$1.00 for seniors and \$4.00 for ages 12 and up. There are both driving and walking trails. If you arrive later than 7:00, follow the driving path and you will find us. Or call my cell phone (it is in the directory) for our location.

There are many photographic opportunities—great views of San Jacinto Monument, the Hartman Bridge and ships on the Ship Channel. And, there are birds—Osprey, Great Blue Heron, Little Blue Heron, Great Egret, Snowy Egret, three species of Grebes, Ibis, three species of Duck, two species of Comorants, Killdeer, Spoonbills, Snadpipers, Belted Kingfishers, Sparrows, Warblers, and more.

The center closes at 5:45 p.m. Bring your fishing poles if you want to stick around and catch something.

Directions: Baytown Nature Center, 6213 Bayway Drive, in Baytown. Take I10 eastbound, exit at spur 330 southbound, exit at Bayway Drive, turn right on Bayway drive. The Center is 3 to 4 miles on the right.

Our next quarterly field trip competition is in April. Do you know somewhere we might meet and enjoy photographing in February or March. Put your thinking caps on!

Each maker may submit one print. Pictorial print rules apply. Images will be judged outside the club.

Holiday Dinner

Everyone who attended had a good time. Great company, good food, a nice warm room, what more could you ask for?

Thank you to **John Niemand** for coordinating the event, and to **Henry Peterman** for arranging for an interesting speaker. **Bill Burychka**, our president, helped to make sure everything went smoothly.

Photographer Saying:

Regardless of how you feel inside, always try to look like a winner. Even if you are behind, a sustained look of control and confidence can give you a mental edge that results in victory.
